**ENGINEERED POLYMER SOLUTIONS
DIVISION(PTFE)**

High-Performance PTFE Solutions for Industrial
Applications

Applications: Oil & Gas | Chemical | Pharma | Electrical |
Industrial Sealing

Edition 2026

ABOUT US

Visanix Global is a trusted supplier and exporter of high-quality PTFE products and engineering materials. We specialize in providing reliable solutions for various industrial applications while maintaining strict quality standards. Our focus is on delivering the right products, timely service, and strong customer support. At Visanix Global, we aim to build long-term partnerships through trust, quality, and consistent supply.

VISION

To be the leading **manufacturer** and **integrated supplier** of **all premium engineered materials and industrial solutions** globally, serving all high-performance industrial requirements with reliability, innovation, and long-term partnership excellence

VALUES

Customer Focus

We prioritize our clients' needs by providing responsive service and tailored solutions.

Integrity & Transparency

We conduct our business with honesty, transparency, and strong ethical standards.

Continuous Improvement

We are committed to consistent supply, timely delivery, and dependable partnerships.

TOP GRADES

01 Virgin PTFE

Pure unfilled resin. Maximum chemical resistance, FDA-compliant grades available.

Standard

02 15% Glass Filled

Enhanced stiffness and reduced deformation under sustained load.

Structural

03 25% Glass Filled

High rigidity for demanding dimensional stability requirements.

Structural

04 25% Carbon Filled

Improved wear resistance and thermal conductivity for dynamic sealing.

Wear

05 Carbon + Graphite

Dual-filler blend for extreme-wear and dry-running applications.

Premium

06 25% Graphite Filled

Low friction coefficient; ideal for sliding and bearing surfaces.

Wear

Available on order - Bronze-filled, MoS₂-filled, Glass+MoS₂, Carbon+MoS₂, ESD/Conductive, FDA/USP, Mineral-filled, Ekonol-filled

TOP PRODUCTS

(CUSTOM DRAWINGS ACCEPTED)

PTFE ROD (Extruded and Moulded)

DIAMETER
6MM - 200MM

LENGTH
1MTR, 1FT, 905MM

PTFE MOULDED SHEET

THICKNESS
5MM - 100MM

LENGTH
1MTR*1MTR, 2MTR*2MTR,
0.6MTR*0.6MTR etc.

PTFE SKIVED SHEET

THICKNESS
0.5MM - 6MM

LENGTH
1MTR, 1.2MTR, 1.5MTR, 2 MTR

PTFE BALL

THICKNESS
3MM - 50MM

SIZE
20MM, 25MM, 28MM, 32MM

PTFE BUSH

THICKNESS
FULL RANGE

LENGTH
FULL RANGE

PTFE GLAND

THICKNESS
3*3, 4*4, 5*5, 6*6, 8*8,
10*10, 12*12 etc

PACKAGING
1KG, 5KG, 10KG etc

PTFE TUBES
(Extruded and Moulded)

THICKNESS
FULL RANGE

LENGTH
500MM, 1000MM etc.

PTFE CLOTH
ADHESIVE/NON ADHESIVE
(WHITE/BROWN)

THICKNESS
5MIL-20MIL

LENGTH
10MTR/50MTR

PTFE RING

THICKNESS
FULL RANGE

SIZE
FULL RANGE

PTFE TAPE

THICKNESS
12MM, 19MM

SIZE
7MTR, 10MTR, 12MTR

PTFE GASKET

THICKNESS
1MM - 5MM

SIZE
15MM - 300MM
